Under the auspices of the Department of Urban and Regional Planning and Development - School of Architecture, Aristotle University of Thessaloniki (AUTH) and *Parallaxi - Thessaloniki otherwise* (in collaboration with Professor A. Karadimou-Yerolymou, the Associate Prof. K. Kafkoura, the Assistant Prof. E. Athanassiou, the Assistant Prof. A. Papagiannakis and the Lecturer Ch. Christodoulou). With the participation of David Sim - Gehl Architects, Copenhagen.

2-3/ 2011: 8 hours seminar in English, "Paideia" Study Abroad Program in Greece for American students, academic cooperation between the School of Modern Greek Language and the Center for Hellenic Studies "Paideia" – Campus of the University of Connecticut. Course: "Greek Design and Architecture", section: "Evolution of Greek cities and planning from the end of Antiquity to nowadays", lessons: "Forms and patterns of urban development in Greece from the end of Antiquity to the beginning of the 19<sup>th</sup> century. Intercultural transfers in the Eastern Mediterranean and the Greek Peninsula", "Urban transformations in the European provinces of the Ottoman Empire at the end of the 19<sup>th</sup> century", "Thessaloniki. From the 19<sup>th</sup> to the 21<sup>st</sup> century".

2010-2012 (fall semesters) and 2012-2013 (spring semester): Adjunct faculty member (lecturer) in the School of Spatial Planning and Development, Aristotle University of Thessaloniki (AUTH). Theoretical course: City and Planning (in collaboration with the Associate Prof. A. Yiannakou and the Lecturer G. Pozoukidou during 2012-2013).

2007-2014: Supervisor of 23 diploma thesis and final research papers in the School of Spatial Planning and Development and the School of Architecture of Aristotle University of Thessaloniki (AUTH).

2005-2013 (spring semesters): Adjunct faculty member (lecturer) in the School of Spatial Planning and Development of Aristotle University of Thessaloniki (AUTH). Studio courses: Urban Analysis and Planning (2005-2008), From Urban Design to Urban Planning (2008-2013) (in collaboration with Professor A. Anastasiadis and the Assistant Prof. S. Chadjicocoli).

2005-2010 (fall semesters): Adjunct faculty member (lecturer) in the School of Spatial Planning and Development, Aristotle University of Thessaloniki (AUTH). Theoretical course: Historical Evolution and Basic Programming and Planning Concepts renamed to History of Cities and Planning (in collaboration with Prof. A. Karadimou-Yerolymou).

2004-2009 (spring semesters): Adjunct faculty member (lecturer) in the School of Architecture, Aristotle University of Thessaloniki (AUTH). Studio course: Urban planning and natural environment: theoretical approaches and realisations (in collaboration with the adjunct faculty member E. Athanassiou).

2004-2007 (spring semesters) and 2007-2009 (fall semesters): Adjunct faculty member (lecturer) in the School of Architecture, Aristotle University of Thessaloniki (AUTH). Studio course:

Upgrading traditional urban areas - Sustainable urban interventions (in collaboration with Professor A. Anastasiadis).

2002-2003 (fall semester): Teaching contract in the program of post-graduate studies in Landscape Architecture of the School of Architecture and the School of Agriculture - AUTH. Theoretical course: Urban Design and Landscape (in collaboration with Professor A. Karadimou-Yerolymou).

2001-2002 (spring semester): Adjunct faculty member in the Department of Geomatics and Surveying of the Faculty of Applied Technology, Technological Educational Institute of Serres. Theoretical and studio courses: Urban Design and Planning, History of Cities and Planning-Institutional Framework of Planning.

### Research experience

2013: Urban design and public space in Thessaloniki from the 1980's until today. Post-doc research scholarship by Aristotle University of Thessaloniki.

2013: From local to global: scientific networking and international institutions and mechanisms while diffusing the European urban models in the post-colonial period. The example of the Greek architect - urban planner Constantinos A. Doxiadis. Research scholarship by the Foundation for Education and European Culture (IPEP).

2011-2014: The Black Sea and its port cities, 18<sup>th</sup>-20<sup>th</sup> century. Development, convergence and linkages with the global economy. Research program THALES.

2010-2012: Planning Archive of Thessaloniki (PATH). Research program of the Department of Urban and Regional Planning and Development – School of Architecture, funded by the Research Committee of AUTH.

2004-2007: La Place, un patrimoine européen. Research program funded by the European Commission - Education and Culture Directorate General, Programme - cadre “Culture 2000 (2004)”.

2003-2005: EUROMED Héritage II - Patrimoines partagés: savoirs et savoir-faire appliqués au patrimoine architectural et urbain des XIX-XX<sup>e</sup> siècles en Méditerranée. Research program funded by the European Commission.

2000-2001: Fixed-term contracts (CDD) in the Archives of Modern Architecture of the French Institute of Architecture in Paris (Archives d'Architecture Moderne de l'IFA).

### Conferences

#### With peer review process

11/2013: Conference *Changes and re-significations of the space in Greece during the crisis*, Volos 1-3 November 2013, organised by the School of Architecture of the University of Thessaly. Paper: “From the development to the commercialization of the public property in the occasion of the crisis”.

9/2013: 1st Conference of the Black Sea Project *The Economic and Social Development of the Port-Cities of the Northern Black Sea Coast, Late 18<sup>th</sup> - Beginning of the 20<sup>th</sup> century*, Odessa 22-27 September 2013, organised by the Ionian University and the Hellenic Research Foundation in collaboration with the Hellenic Foundation for Culture - Odessa Branch and the State Archives of Odessa Region. Paper: “The making of a new town. Rise and decline of Odessa, 18<sup>th</sup>-20<sup>th</sup> c. (1794-1917)” (in collaboration with the Emeritus Professor A. Karadimou-Yerolymou).

9/2012: 3<sup>rd</sup> National Conference on Planning and Regional Development, Volos 27-30 September 2012, organised by the Department of Planning and Regional Development-School of Engineering of the University of Thessaly. Papers: “From iconic to pragmatic: praxis of urban design for

everyday life" (in collaboration with Professor A. Karadimou-Yerolymou, the Assistant Prof. E. Athanassiou, the Assistant Prof. A. Papagiannakis and the Lecturer Ch. Christodoulou) and "The land issue and the public space in transition: incisions in the evolution of urban space after periods of major political and economic crises. Examples from Mexico and the Balkans" (in collaboration with the Lecturer Ch. Petropoulou).

3/2012: 1<sup>st</sup> National Conference on Place Marketing & Branding. Strategic Promotion and Identity, Volos 30 Mars - 1 April 2012, organised by the Department of Planning and Regional Development-School of Engineering of the University of Thessaly and the initiative "Imagine the City". Paper: "Urban regeneration and place marketing: Looking for the outward identity of Thessaloniki through an urban regeneration project in the west entrance area" (in collaboration with the Associate Prof. A. Yiannakou and the planners D.V. Aggelopoulou and A. Bartzokas-Tsiompras).

6/2010: 5<sup>th</sup> Conference of the Greek DOCOMOMO: *Planning ideals of the Modern Movement and the Greek city*, Thessaloniki 3-4 June, organised by the Greek DOCOMOMO and the Department of Urban and Regional Planning and Development of the School of Architecture - AUTH. Paper: "Modern Movement, land ownership and urban tissue: possibilities of urban regeneration projects in the centre of Thessaloniki" (in collaboration with Professor A. Anastassiadis).

9/2009: 2<sup>nd</sup> National Conference on Planning and Regional Development, Volos 24-27 September, organised by the Department of Planning and Regional Development-School of Engineering of the University of Thessaly. Paper: "Reuse strategies for former military sites: approaches of sustainable planning and implementation. The case of Germany" (in collaboration with the planner M/. Karakosta).

11/2008: 5<sup>th</sup> Scientific Meeting of the International Commission for the Conservation of Industrial Heritage TICCIH - Greek Section: *The end of the Giants. Industrial heritage and urban transformations*, Volos 22-25 November, organised by the Greek TICCHI. Paper: "Reuse of former industrial sites: planning approaches and implementation issues" (in collaboration with Professor A. Karadimou-Yerolymou).

8/2006: 8<sup>th</sup> International Conference on Urban History «Urban Europe in Comparative Perspective», Stockholm 30 August-2 September, organised by European Association of Urban Historians. Paper: « L'espace public dans la formation de la ville grecque moderne : rayonnement et décadence de la place du XIXe au XXe siècle » (in collaboration with Professor A. Karadimou-Yerolymou).

5/2003: Conference *Transformations of the Greek city. Socialist theory, perspectives and daily practice*, Athens 9-11 May, organised by the New Movement of Architects. Paper: "Redistribution of urban land and production of public space in the modern Greek city".
