5. Research Projects

- (03-06/2012) Fulbright research scholar grant for fieldwork to be conducted in the USA, based at the Institute of Urban and Regional Development, University of California, Berkeley. Project title: *Urban Governance Capacity Building: U.S. Experience and Greek Challenges*. Research focused on participatory and self-reflexive local governance modes. It explored California-based collaborative planning initiatives, informing, in turn, the relevant academic and practitioner debates in Greece.
- (2010-2017) Associated Researcher in the project: *Global Suburbanisms: Governance, Land and Infrastructure in the 21st Century* (European Research Cluster). Researching urban form and governance structures in Greater Athens, focusing on the suburb of Marousi. Funded by the Social Sciences and Humanities Research Council of Canada’s Major Collaborative Research Initiative program. Housed at the City Institute at York University (CITY), York Research Tower Keele Campus, 4700 Keele St. Toronto, Ontario, Canada M3J 1P3.
- (2009-2010) Scientific Coordinator in the URBACT II working group, *Sha.Ke: Sharing Urban Knowledge* (Ref: 3189 - Priority Operation 2.1: Attractive and Cohesive Cities – Exchange and Learning). Sha.Ke focused on deprived urban areas and aimed at involving local actors in public space renovation and revitalization initiatives. Sha.Ke partners included: University of the Aegean; IUAV University of Venice; Vienna University of Technology and Regione Puglia.
- (04/2007-04/2008) Associated Researcher in the project: ‘Mapping Surveying and Modeling Land-Use/Cover Change in the Mediterranean Area Using Satellite Imagery and GIS’ – GGET Support (2006). Department of Geography, University of the Aegean. Project leader: S. Koukoulas. Task: Analyzing the capacity of land-use planning in controlling land-use change in the area of East Attika, Greece.
- 2005-2006 : Associated Researcher in the EU project ‘URBACT: The URBAN Experience’. Lead project partner: Humboldt University Berlin. The project aimed at presenting recent academic research on the implementation of URBAN I & II programmes in different European cities and countries. Key objectives included: a) the creation of a network of academic researchers that focus on questions of governance and the URBAN Initiative; b) the establishment of a platform that would facilitate exchange of experience between academics and URBAN activists and practitioners.
- 2001-2002 : Research Officer at the LSE European Institute, working in an EU project (*ADAPT*). The project explored the impact of EU Regional and Environmental policies on the institutional structures and governance characteristics in three ‘cohesion’ countries (Portugal, Greece and Ireland) in order to draw lessons for EU policy in Poland and Hungary.

04-09/2000 : Research coordinator. The project was assigned by the consulting firm 'Integration KEK SA', working on behalf of the Greek Ministry of Employment. Research explored policies aiming at enhancing women's entrepreneurship. The final report proposed a 'good practice' model, fostering women's entrepreneurship in Greece in the framework of 'Employment-Now' EU Initiative.

6. Scholarships

03-06/2012: Fulbright Research Scholar Grant. Research theme: 'Participatory governance'. Hosting institution: Institute of Urban and Regional Development, University of California, Berkeley.

1999-2000 : Scholarship from the LSE supporting the completion of Ph.D. studies.

1997-1999 : Scholarship by the University of London (Central Research Fund), supporting the fieldwork of the PhD thesis.

Dissertations:

1994-2000 : PhD research on the impact of the North-South dimension of European urban diversity on the EU urban policy initiatives. The thesis explored local level governance responses to two EU urban programmes. The research involved semi-structured interviews with policy-makers in Brussels (DG XVI) and in 13 urban and regional authorities across the EU (Ireland, the UK, The Netherlands, France, Italy, Spain, Portugal and Greece).

1992-1993 : MA by Research on urban policy and planning. The thesis comparatively analysed urban policy attempts in two case-study cities (Athens and Liverpool) in the 1960-1990 period. Department of Politics, University of Warwick.
