

Dr. Elias A. Kourliouros

Professor of Economic Geography and Spatial Planning

University of the Aegean, School of Social Sciences

Department of Geography

University Hill, Geography Building (1st floor).

Mytilini 81100, Lesvos, GREECE

E-mail: e.kourliouros@aegean.gr

EDUCATION

- 1983: Dipl. Arch. National Technical University of Athens, School of Architectural Engineering.
- 1990: Ph.D. in Urban and Regional Planning, National Technical University of Athens, School of Architectural Engineering, Department of Urban & Regional Planning.
- 1995: Ph.D. in Geography, London School of Economics and Political Science (LSE) , Faculty of Economics, Department of Geography.

ACADEMIC POSITIONS

- 1985-1997: Senior researcher at the National Technical University of Athens:
(a) 1985-91: School of Architectural Engineering, Department of Urban and Regional Planning –Research Centre of Spatial Planning and Urban Development.
(b) 1991-97: Development & Planning Department of the Lavrion Technology Park.
- 1996-1997: Adjunct Associate Professor of Economic Geography at the University of the Aegean, Department of Geography.
- 1997-2003: Associate Professor of Economic Geography at the University of the Aegean, Department of Geography.
- 2003-: Professor of Economic Geography and Spatial Planning at the University of the Aegean, Department of Geography.
- 2003-: Professor of Human Geography and European Culture at the Hellenic Open University, School of Humanities.

PROFESSIONAL SOCIETIES/NETWORKS

Technical Chamber of Greece; Association of Greek Architects; Association of Greek Town and Regional Planners; LSE alumni Society; Board of Directors of the Research Centre for Interdisciplinary Approaches to Development (KEMDIPA); Board of Directors of the Centre of Research and Documentation (1992-93); Greek Centre of Development Studies (ELKAM); Founding member of the Inter-University-Interdisciplinary research network DIODOS, member of the Network's Board of Directors.

COURSES TAUGHT

University of the Aegean, Department of Geography

Undergraduate courses

1. Economic Geography (1996-)
2. Regional Development and Planning (1997-)
3. Development and Planning of Innovation Spaces (1997-)
4. Special Topics of Economic Geography (2000-02)
5. Political Economy of Space (1996-99)
6. Geography of Production and Development (1996-99)
7. Summer School of Paros (director, 2004-2010).
8. Summer School of Naxos (co-director 2012-)

Postgraduate courses

(Director of the Post-Graduate Programme, 2001-4)

1. Epistemology, theory and method in Geography and planning (2001-4).
2. Localized knowledge, innovative networks and economic restructuring in space (2001-4; course coordinator)
3. Regional and urban development and planning policies in Europe (2001-4; course coordinator)
4. Globalization and geopolitical tensions in the Mediterranean and Europe (2001-4).
5. Development networks, space and regional planning (2005-today. From 2007 Innovative Networks, space and planning)

Greek Open University –Faculty of Humanities: Studies in the European Civilization

1. Natural and human sciences in Europe (course: epo 31) (2003-04)
2. General geography, human geography and the material civilization of Europe (course: epo 12) (2004-)

National Technical University of Athens: Postgraduate seminars

1. School of Architecture, Department of Urban & Regional Planning: Training of young scientists as local development consultants. (Athens, 1986).
2. School of Survey Engineering, Department of Geography and Regional Planning: Interdisciplinary approaches to the problems of development. (Athens, 1989).
3. School of Architecture, Department of Urban & Regional Planning/EU PETRA Program: Vocational program for young people and support of development initiatives in Leros island. (Leros, 1990).
4. School of Survey Engineering, Department of Geography and Regional Planning in collaboration with the Research Centre for Interdisciplinary Approaches to Development (KEMDIPA): Interdisciplinary approaches to the problems of development. (Athens, 1991).
5. School of Architecture, Department of Urban & Regional Planning: National and European Community programs & policies for the development of Greek urban centres in the context of the European integration. (Athens, 1991).
6. School of Survey Engineering, Department of Geography and Regional Planning in collaboration with the Research Centre for Interdisciplinary Approaches to Development

(KEMDIPA): The interdisciplinary approach to the environmental problems. (Athens, 1992).

7. Rectorate department: New models of urban development and the legislative framework of urban planning. (Athens, 1993).
8. Centre of Continuing Education: Training of local development officials. (Athens, 1994).

Vocational seminars

1. Greek Corporation for Local Development and Government (EETAA): 2nd vocational program for development agencies' consultants in Southern Greece. (Athens, 1990).
2. Greek Corporation for Local Development and Government (EETAA): Vocational program for consultants of urban development in the region of Attica. (Athens, 1990).
3. Greek Corporation for Local Development and Government (EETAA): Vocational program for unemployed in Lavreotiki municipality. (Lavrion, 1991).
4. Tavros local government / EU-EUROFORM Program. (A phase): Vocational program for local government officials on environmental issues. (Athens, 1991).
5. Greek Centre for Development Studies / EU-PETRA Program: Vocational program for young unemployed on environmental protection in Milos island. (Milos, 1992).
6. Tavros local government / European Social Fund: Vocational program for local government officials on environmental issues. (Athens 1992).

RESEARCH ACTIVITY

Main scientific & research interests

Critical Political-Economic approaches to spatial development and planning with special emphasis on theoretical and methodological issues. Development and planning of spaces of industrial production and technological innovation. Urban-industrial restructuring and planning policies. Spatio-economic restructuring and integrated planning in less developed areas.

Research collaborations/networks

National Technical University of Athens; Agricultural University of Athens; Panteion University – Institute of Regional Development; Albanian Academy of Sciences; Institute fuer Klimafolgenforschung (Germany); Technische Universitaet Wien; Urban Planning Institute of the Republic of Slovenia; UFZ-Umweltforschungs-zentrum Leipzig-Halle GmbH; Liverpool John Moores University; Warsaw University; Stockholmes University; Institute for Applied Economic Research (Germany); University of Paris VIII

Funding of research grants

Ministry of the Environment, Spatial Planning and Public Works; Organization of Athens; Ministry of Education; Eleonas Association of Local Authorities; Local government of Athens; Greek Bank of Industrial Development; Local government of Vonitsa; Area Council of Katouna; General Secretariat of Research and Technology-Ministry of Development; Regional government of Attica (IInd Community Support Framework); EU-DG XIII; EU-DG for Employment & Social Affairs.

Funded research projects

Greek projects

1. Organization and planning of industrial parks in the region of Attica. National Technical University of Athens, Ministry of Environment, 1985-88.
2. The Role of the National Technical University of Athens in the country's development towards 2000. National Technical University of Athens, Ministry of Education -Special Development Project. 1989-90.
3. Study for the recording and viability of industrial activities in Eleonas. National Technical University of Athens, Eleonas Association of local authorities. 1991.
4. Prospects and development strategy for the National Technical University of Athens Technology Park in Lavrion. National Technical University of Athens -Rectorate dept. 1992.
5. Planning and renewal of the Eleonas' industrial area in Athens. National Technical University of Athens, Local Government of Athens, 1992.
6. Development directions and local plan for the Lavrion Technology Park. National Technical University of Athens, Rectorate dept. 1994.
7. Implementation of renewal projects for inner-city industrial zones and relocation of economic activities (case study: Eleonas of Athens). National Technical University of Athens, Organization of Athens, Ministry of Environment. 1994.
8. Feasibility study for the creation of a Technopolis in Attica. Greek Bank of Industrial Development (ETVA-VIPETBA). Special research consultant. 1994.
9. Local development, marking of local resources and protection of the natural and historical environments: The case of the area of Vonitsa. National Technical University of Athens, Agricultural University of Athens, Local government and Area Council of Vonitsa. 1997.
10. Problems of economic and spatial restructuring of mountainous rural areas: The case of Katouna, Aetoloakarnania Prefecture. National Technical University of Athens, Agricultural University of Athens, Area Council of Katouna. 1998.
11. Lavrion Technology Park feasibility study: Analysis of market demand for high-tech products and services. National Technical University of Athens, General Secretariat of Research and Technology-Ministry of Development. 1998.
12. Formal and informal functions of the state, operation of social institutions and clientelistic relations as factors affecting public policies of urban expansion. National Technical University of Athens, General Secretariat of Research and Technology-Ministry of Development. 2000.
13. Reorganization of the undergraduate program in the Geography Department, University of the Aegean, Ministry of Education –EPEAEK project. 2000.
14. Reorganization and modernization of the Lavrion Technology Park Business Plan. National Technical University of Athens, Regional government of Attica-IIInd Community Support Framework. 2000.
15. Reform of the undergraduate studies programme of the Geography Department, University of the Aegean, EPEAEK II-Ministry of Education. (in progress).

EU/International projects

16. Lavrion Technology Park, Athens Greece (Business Plan). National Technical University of Athens, EU-DG XIII (SPRINT program). 1995.
17. The prospects of environmental and human resources in sustainable development across the Greek-Albania border zone. University of the Aegean –Department of Geography, Albanian Academy of Sciences, General Secretariat of Research and Technology-Ministry of Development. 2002.
18. Field study of ex-convicts' reintegration into labour market and social life. National Technical University of Athens, University of the Aegean, Institute for Applied Economic Research (Germany), University of Paris VIII, EU/DG Employment and Social Affairs. 2005.

19. Urban sprawl: European patterns, environmental degradation and sustainable development. (URBS-Pandens). Potsdam Institute fuer Klimafolgenforschung, University of the Aegean, Technische Universitaet Wien, Urban Planning Institute of the Republic of Slovenia, UFZ-Umweltforschungs-zentrum Leipzig-Halle GmbH, Liverpool John Moores University, Warsaw University, Stockholmes University, ICLEI European Secretariat GmbH, EU/DG XIII. 2006.
20. GraceMed: Grassroots creativity and e-networking in Southern Europe: Smart cities, Diasporas and interaction with the broader Mediterranean. ERC IDEAS project, FP7 EU, 2013 (evaluation phase)

PARTICIPATION WITH WRITTEN PAPERS IN CONFERENCES, SYMPOSIA AND OTHER SCIENTIFIC EVENTS

International events

1. International Scientific Symposium: Industrial Estates: Problems and Prospects. Greek Bank of Industrial Development and University of the Aegean, Chios 1990.
2. British-Greek joint Symposium: Urban Policies and Environmental Issues in an Age of Economic Restructuring. Planning and Environment Study Group of the Institute of British Geographers and Aristotelian University of Thessaloniki, Department of Urban and Regional Planning. Chalkidiki 1992.
3. 8th IASP World Conference: Science Parks as Creators of Competitive Advantage. International Association of Science Parks (IASP), Oulu Finland 1992.
4. Greek-Italy-Portugal joint scientific meeting: Aspects of Environmental Education and Practice in Modern Greece. National Technical University of Athens, 1993.
5. European Conference: Regional Development Induced by Innovation in High Technology. University of Patras, Patras Science Park and Paris Institute of Applied Mathematical and Economic Sciences. Patras 1993.
6. German-Holland-France-Greece scientific meeting in the context of EC KALEIDOSCOPE project. Aurich, Germany 1994.
7. XVII Congress of the European Society for Rural Sociology: Local Responces to Global Integration: Towards a New Era of Rural Restructuring. Mediterranean Agronomic Institute of Chania, Crete 1997.
8. European Conference: Tourism, Telecommunications and Regional Development. National Technical University of Athens, NCSR Demokritos and University of the Aegean, Samos 1997.
9. 1st International Scientific Congress: Tourism and Culture for Sustainable Development. National Technical University of Athens, Greek Ministry of Foreign Affairs, Greek Ministry of Culture, Greek Tourism Organization. Athens 1998.
10. International Conference: Sustainable Development and Spatial Planning in the European Territory: Prospects for the 21st Century in the European Union, its Member States the Balkans and the Black Sea Countries. National Technical University of Athens, Ministry of the Environment Spatial Planning & Public Works and Ministry of Foreign Affairs. Athens 1999.
11. Fisrt Geo-Symposium of the Aegean: Geographies on/of/along the EU Border. IInd ESF (KPS/EPEAEK), University of the Aegean -Department of Geography. International Sessions. Mytilini, Lesvos 1999.
12. International Conference: Restructuring, Stability and Development in Southeastern Europe. University of Thessaly, South and East European Development Centre. Volos 2001.

13. International Conference: Globalization and the Dialogue of Civilizations: Making of a New World. Ain Shams University, Center for Study of the Contemporary Civilizations. Cairo, Egypt 2002.
14. XVI AESOP congress: Planning and Regional Development Issues in Border Regions. Association of European Schools of Planning (AESOP) & University of Thessaly, Department of Planning and Regional Development, Volos 2002.
15. 46th Congress of the European Regional Science Association: Enlargement, Southern Europe and the Mediterranean. Volos 2006.
16. 49th Annual Congress of the European Regional Science Association (ERSA): Territorial cohesion of Europe and integrative planning. Łódź, Poland, 2009.
17. International Conference of the Department of Business Administration, University of the Aegean: Rethinking Business and Business Education in the Age of Crisis. Chios, 2011.
Greek events
18. University of Thessaly scientific symposium: Establishment of a Spatial Planning and Regional Development Department. Volos 1986.
19. 1st Interdisciplinary-Interuniversity Conference of the National Technical University of Athens: The Interdisciplinary Approach to Development. Athens 1988.
20. Seminar of the «D. Glinos» Cultural Centre. Athens 1989.
21. Scientific meeting of the Department of Urban and Regional Planning, School of Architecture, National Technical University of Athens: Studies in Urban and Regional Planning. Athens 1990.
22. National Technical University of Athens Congress: Technical University and Development. Athens 1990.
23. Joint scientific meeting of the «Development Agency of Western Attica» (ASDA) and the «D.Glinos» Cultural Centre: Local-vs-Supralocal Problems in Planning and Development of Downgraded Urban Areas in Athens. Athens 1990.
24. Seminar of the «D.Glinos» Cultural Centre. Athens 1990.
25. Seminar of the «D.Glinos» Cultural Centre. Athens 1991.
26. Scientific Symposium of the Technical Chamber of Greece: Institutions, Methods and Processes of Industrial Policies. Athens 1991.
27. Conference of the «Citizens' Movement»: Air Pollution and Active Citizen. Athens 1991.
28. Scientific meeting of the «Association of Greek Regional Scientists» and the Panteion University: Regional and Urban Development Studies in Greece towards 2000. Athens 1991.
29. 2nd Interdisciplinary-Interuniversity Conference of the National Technical University of Athens: Sciences and Environment in the End of the Century: Problems and Prospects. Athens 1992.
30. Scientific meeting of the Department of Regional Development and Planning, University of Thessaly: A Technopolis in Thessaly. Volos 1992.
31. Joint scientific meeting of the National Technical University of Athens, the «League for the Development and Administration of Eleonas» and Local Government of Athens: The Renewal of Eleonas. Athens 1993.
32. Scientific meeting of the Panteion University -Institute of Regional Development: Technopolises. Athens 1993.
33. Scientific meeting of the Technical Chamber of Greece: Development Program of the City of Lavrion. Lavrion 1993.
34. 5th Congress of the «Sakis Karageorgas Foundation»: Public-Private Limits and Relations. Athens 1994.
35. Joint Conference of the National Technical University of Athens, the Centre of Economic Researches and the Local Government of Vonitsa: South Amvrakikos Gulf: Economic Development and Environmental Protection. Vonitsa 1995.

36. Joint Conference of the National Technical University of Athens, the University of Thessaly and Magnisia Prefectural Authority: Trans-European Networks (TEN) and Medium-Sized Urban Centres. Volos 1997.
37. 2nd Joint Conference of the National Technical University of Athens, the Ministry of Environment, Spatial Planning and Public Works and the University of Ioannina: Protection and Development of the Amvrakikos Gulf. Arta 1997.
38. 2nd Interdisciplinary Conference of the National Technical University of Athens: Technology, Culture and Decentralization. Metsovo 1998.
39. Scientific meeting of the Ministry for Development: Teenagers and Development. Thessaloniki 1999.
40. 7th Panhellenic Geographical Conference of the Greek Geographical Society. Mytilene, Lesvos, 2004.
41. 1st Conference of the School of Social Sciences, University of the Aegean: The Social Sciences today. Mytilene, Lesvos, 2006.
42. 8th Panhellenic Geographical Conference of the Greek Geographical Society. Athens, 2007.
43. 8th National Conference of the European Regional Science Association (ERSA) –Greek Division: Urban Development in Greece and the European Union. Athens, 2008.
44. Conference of the School of Philosophy of the Aristotelean University of Thessaloniki: The future of humanistic studies in Greece. Thessaloniki 2008.
45. 9th National conference of the European Regional Science Association (ERSA) –Greek division: Regional Development and Economic Crisis: International Experience and Greece. Athens, 2011.
46. 10th National conference of the European Regional Science Association (ERSA) –Greek division. Thessaloniki 2012.
47. 11o scientific congress of the Greek Regional Studies Association: *Agricultural economy, rural space, regional and local development*, Patras 2013.
